

Fly an L-39 Over Latvia with the Baltic Bees

Europe's Famous Civilian Jet Team

The Baltic Bees Latvian Legends

Fly with Maverick, Major, Maestro, Smoked, Godfather or Giovane, members of the elite L-39 jet team known as “The Baltic Bees”. Founded in 2008 with two aircraft, the team now consists of six professional pilots and their L-39s. The Baltic Bees appear at air shows across Europe and Asia, performing more than 30 incredible maneuvers.

When not performing, the Baltic Bees offer L-39 flights and flight training from their base of operations near Riga, Latvia. Individual and group formation flights are available.

Bees Heart Maneuver

The L-39 C

Military Trainer and Air Show Star

The L-39 C “Albatros” is a tandem, two-seat advanced military jet trainer produced by aircraft manufacturer Aero Vodochody in the former Czechoslovakia. Once used to train generations of fighter pilots, the L-39 is now popular with private jet owners and jet teams.

Single & Formation Flights Available All Year Long

Up to Six Can Fly at One Time

Where are flights offered? The Baltic Bees Jet Team is based in Latvia, near the historic city of Riga. Flights take off from Jurmala Airport.

Is a pilot's license required? No. You must be in reasonably good health and meet basic height and weight requirements but no prior flying experience is necessary.

When can I fly an L-39 with the Baltic Bees? Flights are offered on select dates, all year long.

Will I get a video of my L-39 flight? Yes. We strongly suggest adding a second aircraft to your program, in order to obtain incredible air-to-air footage.

How long are the flights? Our most popular option is a flight about 45 minutes long that sells for \$4950 US, but shorter and longer flights are available.

Fly an L-39 Over Latvia with the Baltic Bees

It's an incredible adventure in Europe.

Sample Itinerary

Arrive at Jurmala Airport, formerly known as Tukums Airfield. Tukums once served as a reserve airfield for the USSR. During World War II, a German division of Luftwaffe was based at Tukums. Later it served as a reserve airfield for the Latvian Air Force.

Fitted for Baltic Bees flight suit, helmet and mask. You are required to provide your own shoes – either running shoes or trekking boots.

Ground school, safety briefing and ejection seat training. (Takes about 40 minutes.) The L-39 C is equipped with zero height ejection seats.

Pre-flight briefing with your pilot to discuss your flight profile. Strapped into the rear cockpit of the L-39 C for an incredible aerobatic flight.

Take off! When safe to do so, you will be permitted to take the controls.
